**‘NO’ TO MUSLIM EXTREMISM!
‘NO’ TO AN ISLAMIC REPUBLIC!
‘YES’ TO A BRITISH BRITAIN!**

DO MORE THAN JUST COMPLAIN! SUPPORT NICK GRIFFIN AND THE BRITISH NATIONAL PARTY!

As British servicemen face death in the new crusade against Islamic fundamentalists, isn't it time to face up to the fact that the biggest danger to the British people comes, not from Afghan war lords, but from Muslim extremists living in our own country? It was Muslim extremists who sparked serious race riots all over the UK in recent months, in places like Oldham, Bradford and Burnley. The West must wake up to the threat to our way of life posed by Muslim extremists.

Not all Muslims are fundamentalist fanatics who want to use a combination of immigration, high birth rates and indoctrination to turn Britain into an Islamic Republic. There's no point blaming ordinary Muslims for the actions of the extremists in their midst.

No! The people to blame for all this are the Labour, Tory and Lib-Dem politicians who forced the 'multicultural' society on us in the first place! Did they ever ask us for permission to flood our country with foreigners? Did they ever ask us if we were happy to be turned into second-class citizens in our own land?

So why just watch when you've got the chance to do something about it? The chance to make a positive difference? The chance to build a real future for your children and grandchildren? The chance to help reverse the undemocratic folly of the old parties and stop the fanatics who want to turn Britain into an Islamic Republic?

Yes! I've seen BNP leader Nick Griffin on TV and want to find out more about Britain's fastest growing party! I look forward to receiving my plain envelope information pack, including samples of the BNP's glossy, full colour magazine *Identity* and its newspaper *Freedom* (shown on right).
