## **Press Release**

### **Time is running out - use your vote on June 10th and stop the BNP!**

**If you want to give your children a British future incorporating all the notions of democracy then vote against the BNP.**

Some of you may have seen the BNP TV broadcast, which proves that the BNP is an organisation based on anti-Semitism, Islamophobia and xenophobia. Their policies are to preach fear and hatred, and this will become a well practised policy unless you do something to stop them. A no-Vote is equivalent to a vote for the BNP, they are relying on non-voters for success on June 10th, don't give them that satisfaction.

We must engage in the political process and prevent the BNP from undoing all the good that has occurred through centuries of hard work. If more people vote for democratic parties this reduces the chance of the BNP being elected.

The BNP may now be using a subtler approach by placing female candidates in key places such as Barnsley, don't be duped, as their underlying policies will be the same. You may have seen the BNP's Welsh broadcast which was branded "outrageous" by friends of the Lawrence family and condemned by race equality groups in Wales as "deliberately provocative". The BNP boasts members with a string of criminal convictions, are these people you want leading this great Nation? We have come a far way in improving race relations between Britain's communities; don't let the BNP undo that.

Furthermore they may claim that they are victims of a hate campaign, but you will be too very soon if you don't vote. Let it be argued quite rightly that Britain is a democracy and the BNP should be able to say what it wants, but there are also other notions of our democracy, such as Fairness, Equality and Justice that underpin our legal system which the BNP ignores.

Don't let your child grow up in a society that breeds hate against other individuals by lying and propagating, isolates entire communities and causes widespread riots in multicultural areas.

**FAIR calls upon all people irrespective of race and religion to unite against the BNP.**
